## March 2018

*Drelyn, senior @ Desert Christian HS*

**Thank you for your prayers, support and encouragement! Life is so full that we are sending out this 'update' instead of a full-length newsletter. Here are our current praise reports/prayer requests:**

- **Praise and prayers for Riscilla in the final quarter of her freshman year at NAU**
- **Guidance is needed as Drelyn determines where to attend college next year**
- **Gratefulness to our Good God for all He has provided for the girls' schooling this year, as well as counseling, tutoring and of course, HOST FAMILIES!**
- **Praise and prayers for Margarita and Alejandra in Mexico as Alejandra receives specialized therapy for her disabilities**
- **Praise and prayers for the many clients Pro-Love 'sidewalk advocates' dialog with weekly as they make decisions about unplanned pregnancies**
- **Thankfulness for medical care and health for Dad and Dennis**
